*(part-time; initially for Spring trimester maternity cover, with possible extension for childcare cover)*

Start date:

April 2023

The school:

Our mission: *to develop Informed, caring, and creative individuals contributing to a global community.*

Our Schools: Osaka and Senri International Schools of Kwansei Gakuin are two sister schools situated in north Osaka that share a campus, purpose, and mission. Osaka International School (OIS) is a K-12 school of 270 students that offers the International Baccalaureate (IB) curriculum and Senri International School (SIS) has approximately 520 students following the Japanese middle and high school curriculum approved by the Japanese Ministry of Education. We were founded for the benefit of returnee, national, and international residents of the Kansai region, bringing together the best of Japanese and non-Japanese educational ideas, systems, and techniques. This enables OIS students and faculty to make authentic connections with Japanese culture and traditions, while SIS students and faculty experience a genuinely international environment unavailable at a regular Japanese school.

For more information about our school, please see our [website](#).

The position

We are looking for an experienced, enthusiastic educator who enjoys working with middle school students. The teaching responsibilities are four MYP classes: grades 6 and 7 English and Individuals & Societies (Integrated Humanities). Experience teaching IB DP Theory of Knowledge (ToK) classes would be an advantage. The position reports to the OIS principals.

Qualifications  
& Experience

The successful candidate will be willing and able to:

- demonstrate a passion for teaching, and a commitment to collaborating with other MYP faculty to plan units, coordinate activities, and track student progress.
- support extracurricular programs and to communicate with the wider school community.
- connect personally with students, and support their academic, social, and emotional wellbeing.
- embrace the culture of Japan and value the *Two Schools Together* concept.

Experience at an international school is preferable, but it is not required.

As this appointment is for a limited duration, it is a part-time position. We pay a competitive rate calculated by the number of classes taught and including school holidays.
